JOB TITLE: Public Relations/ Marketing Director
DEPARTMENT: PHYSICIAN SPECIALTY GROUP
STATUS: FULL TIME, EXEMPT
REPORTS TO: CEO

SUMMARY

As a Public Relations/ Marketing Director at Maverick County Hospital District, you will play a pivotal role in shaping and maintaining the hospital district's public image. You will be responsible for developing and executing effective public relations strategies that highlight our medical excellence, patient-centered care, and contributions to healthcare advancements. This role offers a unique opportunity to be at the forefront of our hospital's communication efforts and contribute to its continued success.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Develop and implement strategic PR campaigns that promote our medical services, achievements, and patient success stories. Collaborate with internal stakeholders to identify compelling narratives and create impactful storytelling opportunities.
- Build and nurture relationships with medical reporters, health journalists, and key industry influencers to establish the hospital district as a reliable source of healthcare expertise.
- Craft press releases, media pitches, and other communication materials that effectively communicate complex medical information to a broader audience while highlighting our hospital district's contributions.
- Coordinate and manage media interviews, press conferences, and healthcare-related events, ensuring seamless interactions between hospital district representatives and media professionals.
- Monitor media coverage and conduct regular analyses to evaluate the effectiveness of PR campaigns within the healthcare sector. Use insights to refine future communication strategies.
- Collaborate closely with medical professionals, researchers, and hospital district departments to ensure that all messaging aligns with the hospital district's medical standards and objectives.
- Respond to media inquiries promptly and manage crisis communication as needed, demonstrating sensitivity and accuracy in addressing medical concerns.
- Stay informed about healthcare trends, medical breakthroughs, and industry news, leveraging this knowledge to proactively identify and capitalize on relevant PR opportunities.
- Utilize social media and digital platforms to amplify healthcare-related PR efforts, engaging with online audiences and disseminating credible healthcare information.
- Develop relationships with stakeholders, including patients, physicians, community leaders, and patient advocacy groups, to foster a sense of community and support.
- Collaborate with graphic designers, photographers, and videographers to create visual content that enhances the impact of healthcare PR campaigns.
- Assist in developing and maintaining an updated repository of healthcare communication materials, including fact sheets, crisis communication protocols, and medical terminology glossaries.
- Coordinate with marketing and branding teams to ensure consistency in messaging and branding across all communication channels.
- Provide guidance and training to hospital district staff on effective communication practices, including media interactions and public speaking engagements.
